

By the Glass

Some of our wines by the glass are served using the **Coravin system**, an innovative preservation method that allows us to pour wine without removing the cork.

By protecting the wine from oxygen, Coravin keeps each bottle fresh for weeks, allowing us to offer a wider selection of premium wines by the glass while ensuring every pour tastes exactly as the winemaker intended.

Sommelier Selection

This section highlights a curated collection of our most exceptional wines, selected by our sommelier for their pedigree, rarity, and ability to shine at the table. Featuring iconic producers, celebrated vintages, and benchmark expressions from the world's great wine regions; including Champagne, Burgundy, Bordeaux, Napa Valley, and beyond.

These premium bottles have been moved from our main list to give them the space they deserve. For guidance, tasting notes, or pairing recommendations, please speak to a member of our team.
